Re: Request for NPDES Permit Renewal Based on Current Approved Plans
American Sand Company, LLC
Preparation Plant, Basin 003 Construction
NPDES No. TN0062910
Putnam County

Mr. Epperson,

American Sand Company, LLC is planning, as part of the permit renewal process requirements, to construct the proposed Basin 003 as shown on the Site Operations Map. The construction of this basin is scheduled to begin in the early summer of 2014 as weather permits. Progress reports will be submitted to the Cookeville Field Office as construction progresses.

Todd T. Claiborne, Manager
